19 Birch Drive, Bungendore

Beautiful Home.

19 Birch Drive is built with family living at front of mind. Sunfilled windows frame the landscaped gardens and add a stylish country Manor feel to the building. A wrap around verandah from the front door combine the benefits of outside living and architectural character.

Space is plentiful within the home. Various spaces provide a place for the whole family. The lounge room has a crackling combustion fireplace and lovely staircase leading up to the parents retreat and 4th bedroom. There is a family dining room open plan to the kitchen with direct access to the paved entertaining BBQ area under a pergola. The double garage has been converted into the photographic studio which also could be used as a rumpus room, or home office. Upstairs there is a huge room which can be accessed from the master bedroom or staircase from the double garage/studio. This currently provides a workplace for the owners or could be used as a rumpus, parent retreat and on the list goes on.

Neutral tones and timber impress character and a comfortable homely feel. Vaulted ceilings, large windows framing gardens and a hydronic heating system ensure warmth in the winter time.

4 Bedrooms with built-ins and the master bedroom has a walk in robe and ensuite.
