### 3 Bedroom Townhouse

With new carpet and paint throughout, this tidy little townhouse has a spacious lounge with reverse cycle air-conditioning, that leads to a quiet courtyard. The kitchen is located just off the lounge area and has a good amount of storage and cupboard space as well as a breakfast bar.

The main bedroom, with built in robes, is located downstairs and has its own private, easy to maintain, courtyard. The bathroom and toilet are also on the lower level.

Upstairs there are two more bedrooms, also with built in robes. What's really nice about the second level is that there is a second small sitting room leading to a balcony, a perfect space for the kids to have their own retreat.

There is a single carport to the side of the house.

This townhouse has been renovated with fresh paint and carpets be the first to enjoy the new renovations.
