

16 Powell St, Bungendore

A blast from the past!

Here is a fantastic investment, first home or place to downsize too. Built with steel frame and in its original condition this beautiful property is as neat as a pin. Positioned in a quiet cul de sac and close to schools, shops and transport; located in the popular old Bungendore township on a large 789 Square meter block.

The living areas are L shaped lounge dining, and there is a great covered alfresco area out the back door. The kitchen is open plan to the dining area and overlooks the rear garden.

There are three double bedrooms; two with built ins and an adjacent family bathroom and separate toilet.

At the rear of the property there is a double lock up garage and carport. This is the perfect place for the tradesman or caravan storage.

This home is a great opportunity for someone to either renovate and turn into a modern and sort after cottage, or buy to live in, as the condition is very good, even in its original glory. Truly a blast from the past that has held up exceptionally well due to the care from only 1 owner over the past 30 years.
