Unit 4/104 Henderson Rd, Queanbeyan

Solid investment Unit.

This beautifully updated 2-bedroom unit, with close proximity to the Queanbeyan city center and a couple of minutes' walk to Queanbeyan train station, is now available to purchase for an investment property, a first home or a down-sizer.

This fully renovated unit features a large opened plan living/dining area with private balcony. This living space is larger than any other unit in the complex because of its location in the building. The new kitchen includes an induction cooktop, with new oven below, creating a modern cooking area with plenty of cupboard space for storage.

The two generous-sized bedrooms contain built-in robes, fresh paint and new flooring, as does the rest of the unit. These rooms are accompanied by a stunning new bathroom with bath/shower and a separate internal laundry, a feature that sets this unit apart from others.

This unit also includes a single carport with lockable roller door and a separate storage room. There has also been strata approval to fully enclose the parking space, to create a secure garage space.
