Jerrabomberra is a great place to own a property, be it an investment or your family home. Incredible demand for the suburb has positioned itself as the most sort after suburb in NSW so close to ACT border. Peppercorn Way is a lovely quiet street highset in Jerrabomberra and full of well-established homes.

The property is set over two floors and stands proudly in its modern rendered finish. The lower floor has a fantastic sun-filled open plan which combines a galley style kitchen to the family room and lounge. The living areas flow to outdoors to a Northeast facing yard and covered alfresco entertaining area. The master bedroom is also on the lower floor with ensuite and walk in robe. Double car garage with internal access is also a huge benefit in the recent weather we are experiencing.

Upstairs are two great sized bedrooms and family bathroom. Both bedrooms have built in robes and nice suburban outlooks from the windows. The upper floor also has a versatile space at the top of the stairs perfect for the home office, TV play area or study nook. There are newly fitted carpets and the colour palate is neutral throughout ready to present your home in your style.

The gardens are neat and tidy, the established plantings provide shade and privacy in the summer months. Set over 431sqm the land is very manageable and low maintenance but still big enough to enjoy your garden or the kids to play.
