102 McDonnell Drive, Bungendore

Views to Lake George.

Be pleasantly surprised when you inspect this spacious, private, energy efficient home. The new driveway and gardens benefit from countless hours of planting and landscape design, ensuring this garden will flourish with birdsong and continue to transform into a paradise in years to come. Set on 8000 square meters the block is privately elevated and captures distant views of Lake George.

The home was completed in Dec 2007, four double bedrooms including the master bedroom with walk-in robe, en-suite and access to the courtyard through double doors. Entertaining inside or out is effortless as the living areas blend from the large family room through double doors to a walled courtyard protected from the breeze complete with sensational open fireplace and raised garden beds. Formal lounge/dining located near the entrance hall is positioned well and flexible to use as a rumpus games or even media room if so desired.

The kitchen is huge with two sinks, plenty of bench space, storage and walk-in pantry. The ceramic gas cook top is top quality and the range hood ducted to outside. A wine cellar is also near and fully insulated to keep a constant temperature.

Heating & Cooling

Geothermal heating and cooling is throughout the home and has incredible efficiency
